

At the close of the Alternative Education Conference delegates were presented an online evaluation form to select their level of satisfaction from 1-5 for all aspects of the conference (one being least satisfied and five being most satisfied). The results presented in this report is the aggregate percentage of scores 4 and above that were selected by delegates.

## GENERAL CONFERENCE ORGANISATION

82% of delegates had a high level of satisfaction for the conference organisation which included the registration process, breakout room set up, network drinks and meals, the flow of the conference and the set up of the main conference area.

## SPECIAL INTEREST GROUPS

**85%**

**OF ATTENDEES FOUND THE SPECIAL INTEREST GROUPS INFORMATIVE AND HELPFUL FOR THEIR SPECIFIC ROLE / PROFESSION IN THEIR SCHOOLS**

Delegates attended Special Interest Groups which covered various professions employed by alternative schools such as: teachers, administrators, wellbeing staff, learning support staff and executive school leaders. Groups were able to share ideas and strategies from their various education facilities.

## KEY NOTE ADDRESSES

Our keynote addresses were impressively received by delegates. Delegates were asked to rate the keynotes based on the following criteria.

Was this presentation relevant to your work?

Was the information clear and easy to understand?

Will you use any of the learnings from this presentation in your work?

Was the presentation engaging?

**Celebrating Capacity**  
by Nairn Walker

**Research in Education**  
by Dr Martin Hughes

**Building Capacity and Student Wellbeing**  
by Carolyn Blanden

**87%**

**93%**

**86%**

## BREAKOUT SESSIONS

Nine breakout sessions highlighting SSC's education systems and research practices were held throughout the two day conference. All sessions were well attended with two opportunities provided for delegates to attend. Numerous breakout sessions received 100% in terms of level 4 or 5 score of delegate satisfaction.
